

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC INVESTIGATION OF THE	)	
REASONABLENESS OF THE ENERGY	)	CASE NO.
EFFICIENCY AND CONSERVATION RIDER OF	)	2018-00044
COLUMBIA GAS OF KENTUCKY, INC.	)	

ORDER

On December 29, 2017, Columbia Gas of Kentucky, Inc. ("Columbia") filed a revised tariff sheet, via the Commission's electronic Tariff Filing System, proposing to revise its Energy Efficiency/Conservation Program Recovery Component ("EECPRC") pursuant to its tariff. The proposed tariff sheet contains an effective date of January 31, 2018.

The Commission found that an investigation is necessary in order to determine both the reasonableness of Columbia's proposed tariff revision and the EECP as a whole, and that such investigation could not be concluded by January 31, 2018. Pursuant to KRS 278.190(2), the Commission suspended the effective date of the proposed tariffs for five months, from January 31, 2018, up to and including June 29, 2018.

The Commission finds that a procedural schedule should be established to investigate the reasonableness of Columbia's proposed tariff revision, as well as the EECP as a whole. That procedural schedule is attached hereto as an Appendix to this Order and is incorporated herein.

All requests for intervention should be filed by May 16, 2018. As set forth in 807 KAR 5:001, Section 4(11)(a), a person requesting permissive intervention in a

Commission proceeding is required to demonstrate either (1) a special interest in the proceedings which is not adequately represented in the case, or (2) that the person requesting permissive intervention is likely to present issues or develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. Further, KRS 278.040(2) requires that a person seeking intervention have an interest in the rates or service of a utility, as those are the only matters that are subject to the Commission's jurisdiction.

Based on the foregoing, the Commission further finds that any person requesting to intervene in a Commission proceeding must state with specificity the person's special interest that is not adequately represented, or the issues and facts the person will present that will assist the Commission in fully considering the matter.

IT IS THEREFORE ORDERED that:

1. The procedural schedule set forth in the Appendix to this Order shall be followed.
2. a. Responses to requests for information in paper medium shall be appropriately bound, tabbed, and indexed and shall include the name of the witness responsible for responding to the questions related to the information provided, with an original and six copies in paper medium, and an electronic version to the Commission.
  - b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and

accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. Any party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

e. Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request.

The copies in paper medium should be appropriately bound, tabbed and indexed.

4. Any motion to intervene filed after May 16, 2018, shall show a basis for intervention and good cause for being untimely. If the untimely motion is granted, the movant shall accept and abide by the existing procedural schedule.

5. Columbia shall give notice of any hearing in this matter in accordance with the provisions set forth in 807 KAR 5:001, Section 9(2)(b). In addition, the notice of hearing shall include the following statement: "This hearing will be streamed live and may be viewed on the PSC website, psc.ky.gov." At the time publication is requested, Columbia shall forward a duplicate of the notice and request to the Commission.

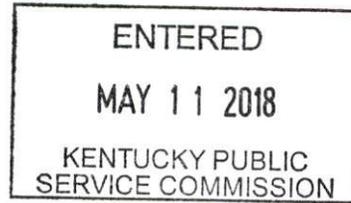

6. At the public hearing in this matter, neither opening statements nor summarization of direct testimonies shall be permitted

7. Pursuant to KRS 278.360 and 807 KAR 5:001, Section 9(9), a digital video transcript shall be made of the hearing.

8. The Commission does not look favorably upon motions for continuance. Accordingly, motions for extension of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

9. Nothing herein shall prevent the Commission from issuing further Orders in this matter.
